How fast has this season gone? It's round 22 already and the finals begin next week. Finals Tickets

We are very lucky that we have a great relationship with the club as they have given us the full 250 allocation of tickets for the finals series. We are hearing that other cheer squads, such as St Kilda are not as lucky as their club is retaining some tickets to use as Corporate Packages.

However 250 is not enough for all our members who submitted an application so unfortunately the Executive Committee had to make some hard decisions and advise a group of members that they had missed out.

For those who have received tickets remember it is a privilege so we expect you to be wearing the correct gear and to remember those who were not as lucky as you and ensure you cheer for them as well.

Finals Bus Bookings

The bus bookings for finals will be on a weekly phone in basis only. Departure times will be advised when booking. Bookings are essential and can be made by phoning either of the numbers listed below, Monday to Thursday between the relevant time slots stated:

Monday to Thursday only

0438 162 253 between 10.30 am and 2.30 pm

0448 132 733 between 5.00 pm and 7.00 pm

All passengers that were on the permanent list for the home and away games must phone in each and every week.

General Meeting

The next meeting for members to attend commences at 7 pm on Tuesday 8 September and will be held upstairs from Club Cats.

President's Poetry

What a sensational final few weeks of the 2009 season we are having with the top two teams losing winnable matches two weeks in a row, the emergence of Collingwood, Adelaide and Footscray with the possibility of Carlton as big contenders for the flag. I don't think we need to now look any further than this top six and I still believe the only true possibilities are the top four. Enter the AFL into the equation, they need Collingwood in finals, they have that, they need an interstate final, maybe they have that in Adelaide, but I bet they wish they also have one in Brisbane so call me a sinic but I will look to the results of a couple of games this week to see whether there is any indication of manipulation or not. The three games of interest are (Hawthorn vs Essendon) the result doesn't matter as only one will make the eight (Sydney vs Brisbane) a Brisbane win could maybe give them a home final (Carlton vs Adelaide) an Adelaide win will ensure an Adelaide final. I may be wrong but I would guess Carlton will get the rough end of the stick this weekend. St Kilda get their chance to play on the MCG but are playing Melbourne who are looking to draft picks next year as I thought they (Melbourne) could have beaten Carlton on Saturday if they really wanted to instead of thinking draft. Then we have the most important game of the round down at Skilled Stadium (Geelong vs Fremantle) this is the game to show the final contenders where we stand as a genuine flag hope. Yes again we will have team changes but these will indicate who's fit and ready and who's not. If Chappy and Magic are not up to it I don't think the coaching staff this year will play unfit players and the dilemma of what to do with Brad Ottens, yes he will come in, but will they pit him in the ruck or do they look to him as a tall forward and maybe ruck at the boundary stoppages. I know I keep saying it but the most important player we need back in is Kelly as his presence releases so many other guys to play the game that they are used to and not have to cover the back bit of centre. Ablett, Bartel and Selwood can then do the forward side, leaving Corey, Kelly and Enright to cover the backside of centre, if this can happen then players who have been down in recent weeks like Mackie tend to grow taller. Pray we have Milburn and Harley fit for the entire finals because those two tend to bring out the best in Scarlett and he doesn't miss targets that cause turnovers. Back to Ottens as I don't think Blake is the ruck answer, he is a great tap in the centre but around the ground he leaves a bit to be desired, Mumford has come on in leaps and bounds, but is he the answer.

When we lose games we don't seem to be able to get the centre clearances that we do when we win games but I still don't put this down to ruck work but put it down to the result of many injuries and not been able to have the team balance we so desire. This is why this game on Saturday is important to us as we need to know who can cut the mustard or not. I have purposely not mentioned the Bulldogs game as the third quarter showed what Geelong can do, one quarter of scintillating football does not win a game, it could have but we didn't deserve to win with what we played in the other three quarters and what would a win under those circumstances told us. It would have told us all we have to do is coast along and the result will come, well the result didn't come and we need to take a good hard look at ourselves.

We as a cheer squad need to have a good hard look at ourselves as well as we are as much part of the team as the players on the arena, we call ourselves the 23rd player so play the game like a 23rd player and keep your heads up high. I know you realise the importance of the next few weeks, you have to be the ones that the entire Geelong community look to for inspiration, you have to be the ones the players look to for inspiration, but most of all you have to have the belief in yourself to make it happen. We have to be as one and as the banner said on Friday night "raise the roof" don't think what if, don't think of the last few losses as a catastrophe but as a catalyst to create the thinking of what is needed to win the 2009 flag. This team will do it with our support and I know the greatest cheer squad in the AFL will leave no stone unturned in their endeavour to make it happen, make Geelong the greatest team of all.

The countdown to the finals has begun and the Executive Committee met on Sunday to finalise the fortunate 250 members to represent Geelong cheer squad for the 2009 finals, sadly we can't take everyone who put in an application and I had the task of phoning the unlucky ones Monday. For the lucky ones think how fortunate you are and represent the cheer squad with pride, unfortunately somebody has to miss out and to those members please cop it on the chin and strive to ensure your place next year.

This week we enter the preseason section of the finals with the big picture to be shown on the MCG in that last Saturday in September. I know Geelong Football Club will do us proud, I know Geelong cheer squad will do us proud, but most of all be proud in yourselves knowing you have done your best to ensure Geelong can hold up the AFL cup.

Footy Full On ...

Love is in the air

Once again congratulations to our newly weds Chris & Vicki King. The small Cheer Squad family who attended had a great time celebrating the joyous and special occasion. The sun shone brightly during the ceremony, as I'm sure their relationship together will.

The special occasion was celebrated with a few drinks and a meal at the Valley Inn.

To top the special weekend off, Chris and Vicki got to go out on the ground with the banner the next day and even Half Cat made a fuss whilst congratulating them.

Supporter's Everywhere

The theme continues ...

As Norm mentioned earlier in the year they met some guys from Barra Island whilst in Perth for the Fremantle game. It's amazing how conversation starts with complete strangers when you notice Geelong Cats apparel.

The guys work in an extremely isolating environment, an oil rig and as you could imagine their access to games is not readily available but their love for the club is fantastic.

Keep up the great work guys.

Shirley Hall Memorial Award

Each year the Executive Committee awards the Shirley Hall Memorial Award to a member who has provided outstanding contribution to the cheer squad throughout the year. All members are able to submit nominations. However nominations must be made in writing and either given to Norm, Tony or Jenny. Or you can post the nomination to Executive Committee, Geelong Cats Cheer Squad, PO Box 461, Geelong 3220 by Tuesday 29 September 2009.

A Nomination form has been included in this Edition, which may assist you with your nomination however you can just write it out on a piece of paper instead ensuring you include your name, the person being nominated together with the reasons for the nomination.

The Executive Committee will review all the nominations received and will present the worthy recipient with a trophy at the End of Season Dinner Dance on Saturday 31 October.

Changed Address

We need to ensure our mailing list is up to date and ready for all the mail outs during the off-season, such as newsletters, AGM documentation and membership renewal. Have you moved house during the year? Did you let Tony know? If you answered yes to moving and no to informing Tony then please write your name, membership number and new address details on a piece of paper and give it to Tony today.

Annual General Meeting

The Annual General Meeting (AGM) commences at 11.00 am on Sunday 13 December and will be held in the Fred Flanagan Room. The AGM is where you get the opportunity to vote for the Committee positions up for elections, if multiple nominations have been received. More information on the AGM will be posted to home addresses in November.

Sydney Wrap

37 people travelled to Sydney on the bus arriving at the hotel at about 5.30 pm. Friday evening and Saturday morning people explored the wonder Sydney has to offer. The bus left for ANZ Stadium at about 3.45 pm. We had great support from 150 people in the Cheer Squad area to help get Geelong over the line.

After a hearty breakfast Sunday morning we departed Sydney for home arriving back in Geelong at about 8.15 pm.

Thanks to everybody that supported the trip. A special thank you to Jamie for driving the bus and getting us there and home safely.

AFL Cheer Squad League Dinner – Saturday 17 October

Celebrate the year that was with members from the other Cheer Squads with a meal and a night of dancing.

The venue will be in Melbourne (still being confirmed). A bus will be organised to assist members to get there. Pickups in Corio and Werribee can be arranged. The function cost is \$40 and drinks are at bar prices.

If you wish to join in with the celebrations then please contact Jenny by Saturday 26 September to book and pay. Please ensure you inform Jenny when booking if you have any special dietary requirements.

Do you have a small gift you could donate to use as a raffle prize on the night? Each cheer squad donate items for the raffle. The items do not have to be footy related, in fact its better if they are general items that would be appropriate for a wide variety of people.

End of Season Dinner Dance – Saturday 31 October

Refer to the attached invitation for further information.

Bookings are filling up fast. See Ann or Marg to book today. You can organise your own table, please discuss with Ann or Marg when booking.

Amongst the meal and dancing the night away the Major Raffle will be drawn, the footy tipping winners presented, the Shirley Hall Memorial Award winner will be announced and a few other formalities.

AGM Lunch – Sunday 13 December

After the Annual General Meeting join others for a meal and a few drinks (at your own expense) to celebrate the upcoming festive season and to discuss the year ahead. See Ann or Margaret to book. Bookings are limited so avoid disappointment and book early.

Special Night

Two of our young members Alex and Camryn Schmidt had the time of their lives on Monday 17 August.

They had a tour of the inner sanctum that is the player's rooms, warm up area, medical rooms, meeting room, etc with Josh Hunt. And if that wasn't enough they had dinner with Josh and Brad Ottens. Now I know I'm bias when it comes to Josh but Brad and Josh were fantastic hosts, very down to earth and relaxed and made us (the boys, mum Fiona, Auntie Wendy and myself) all at ease.

We had a great night of laughter, story telling, laughter, a million questions from the boys, laughter, information gathering, and yes you guessed it laughter!!!

I think Josh and Brad might have a couple more fans now.
